Mr. Robert Bachrach  
410 Boylston Street  
Boston, MA 02116

Dear Robert:

The photos came, were much admired, shown to the family and then, alas, I failed to tell you of the pleasure to all. They are quite wonderful -- a rescue of the subject by camera excellence, a true accomplishment indeed. Catherine Galbraith and all the family join in appreciation, as I trust will all who pass by in the Library. Our thanks again.

Yours faithfully,

John Kenneth Galbraith
