Dear Mr. Bachrach:

On behalf of the Board of Directors of Girl Scouts, Patriots' Trail Council, I sincerely thank you once again for your outstanding photography services for our 2005 Leading Women Awards.

The Leading Women Awards highlights the accomplishments of some extraordinary women and shows girls that they can accomplish what may seem unattainable. From founding your own company to leading a non profit organization to teaching tomorrows leaders, Girl Scouts gives today's girls the courage, confidence, character to grow into the next generation of Leading Women.

The dollars raised through this event will directly benefit Patriots' Trail's more 23,000 girls and 10,500 volunteers in 63 communities in and around Boston. Girls need a place where they can just be girls; a place to learn about themselves, discover their own passions and most importantly, have fun! Girl Scouts gives girls a chance to bravely try new things from dancing to rock climbing or white water rafting to web design. Girl Scouts is about learning and growing alongside caring adults. And it is about making friendships that last a lifetime.

On behalf of all Patriots' Trail Girl Scouts, we thank you for your gift.

Sincerely,

Shannon P. O'Brien
Chief Executive Officer
